

CUTTING TROLLEYS

HUSQVARNA KV 1

Art.no: 547 49 77 01

The KV 1 cutting trolley is specifically designed for our powerful battery-powered cutter, the K 1 PACE. The trolley makes it easy to adjust cutting depth, and mounting the cutter is simple thanks to the trolley's quick-connect features. This unit allows for precise cutting in both straight and curved lines, as well as close to walls and kerbstones. The trolley's compact design makes it easy to fold and transport.

FEATURES

Track control

Easy to cut in straight or curved lines, close to walls and curbs, thanks to the laterally adjustable wheels.

Easy setting of cutting depth

Facilitates adjustments and returning to the previous setting.

Easy transportation

The cutting trolley is easy to fold to facilitate transport and storage.

Water saving

The water tank together with the water saving wet cutting kit ensures long operation.
